1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

The Quality Housing and Work Responsibility Act of 1998 requires the PHA to set forth in out Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of out waiting list.

The information was analyzed in the following manner. We gathered data from our waiting lists and the State Consolidated Plan. Then we look at this information from the perspective of the required groups and for the factors in the Interim Rule.

The PHA used this analysis to prepare our Five Year goals and objectives. It reflects our priorities that we have set forth in out Mission Statement.

Finally, we are required to state how we intend to address out community's housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address out housing needs. The PHA does not have the resources to accomplish our objectives. The Federal Government has not made a commitment of its resources to accomplish our objective. The only practical thing we can do is apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development and other housing fund providers over the course of the next year.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

State the housing needs of the families on the PHA's waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

C. Strategy for Addressing Needs

From Consolidated Plan 1995-2000

1. Those families with family incomes below 50% of median evidence the greatest overall need for housing-related services and support.
2. Over 70% of all low-income renters are faced with housing problems.
3. Elderly renters with incomes <30% of the median have pronounced housing problems with >60% of the elderly and >70% of all other household groups committing >30% income to rent.
4. With regard to severe cost burden, small family renters indicate the greatest need.
5. Overcrowding is most pronounced in the small family low-income type family.
6. A concentration of low-income families are black (non-Hispanic). This group represents 100% of all households with very low incomes.
7. For elderly and disabled renters the major needs are: additional rental assistance, increased availability of accessible rental units for all affordable ranges.

In summation: The most pressing housing needs for very low-income families in the PHA jurisdiction are:

Additional subsidized or below market rate affordable rental opportunities for household sizes with emphasis upon the elderly and small families.

APALACHICOLA HOUSING AUTHORITY

ADDENDUM TO ADMISSIONS POLICY

INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING

In support of HUD's policy to bring higher income families into the PHA's developments to achieve the de-concentration of poverty and the income mixing policy, the PHA reserves its authority to skip over families on the waiting list and to select applicants based on income to specifically reach another family with a lower or higher income to achieve income-mixing and de-concentration. Such skipping shall be uniformly applied, whenever necessary, to effectively meet the statutes' requirements. The PHA will apply the policy on a non-discriminatory basis at each of its sites/developments, for both tenants and applicants, to achieve greater housing choice and opportunity. Annually, the PHA will conduct an analysis to satisfy the elements of the civil rights certifications.

No exact quotas will be used to secure de-concentration levels. However, the PHA acknowledges its legal responsibility under Section 16 of the USHA with respect to income targeting which directs the PHA to admit at least 40% of new admissions annually into public housing whose income does not exceed 30% of the area median income. Other admissions must be at or below 80% of the area median income.

In addition to the above, the PHA shall retain its preference for working families and, in addition, shall take appropriate affirmative marketing efforts to further the goal of de-concentration.

The changes made by this policy addendum have considered current resident population, applicant populations, and PHA resources. In implementing these changes, the PHA acknowledges its duty to ensure compliance with all applicable non-discrimination requirements such as the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act and to affirmatively further fair housing.

Adopted this 22nd day of June 1999.

Posted on the bulletin this 22nd day of June 1999.

APALACHICOLA HOUSING AUTHORITY

ADDENDUM TO ADMISSIONS POLICY

INCOME-TARGETING, INCOME-MIXING AND DE-CONCENTRATION OF POVERTY IN PUBLIC HOUSING

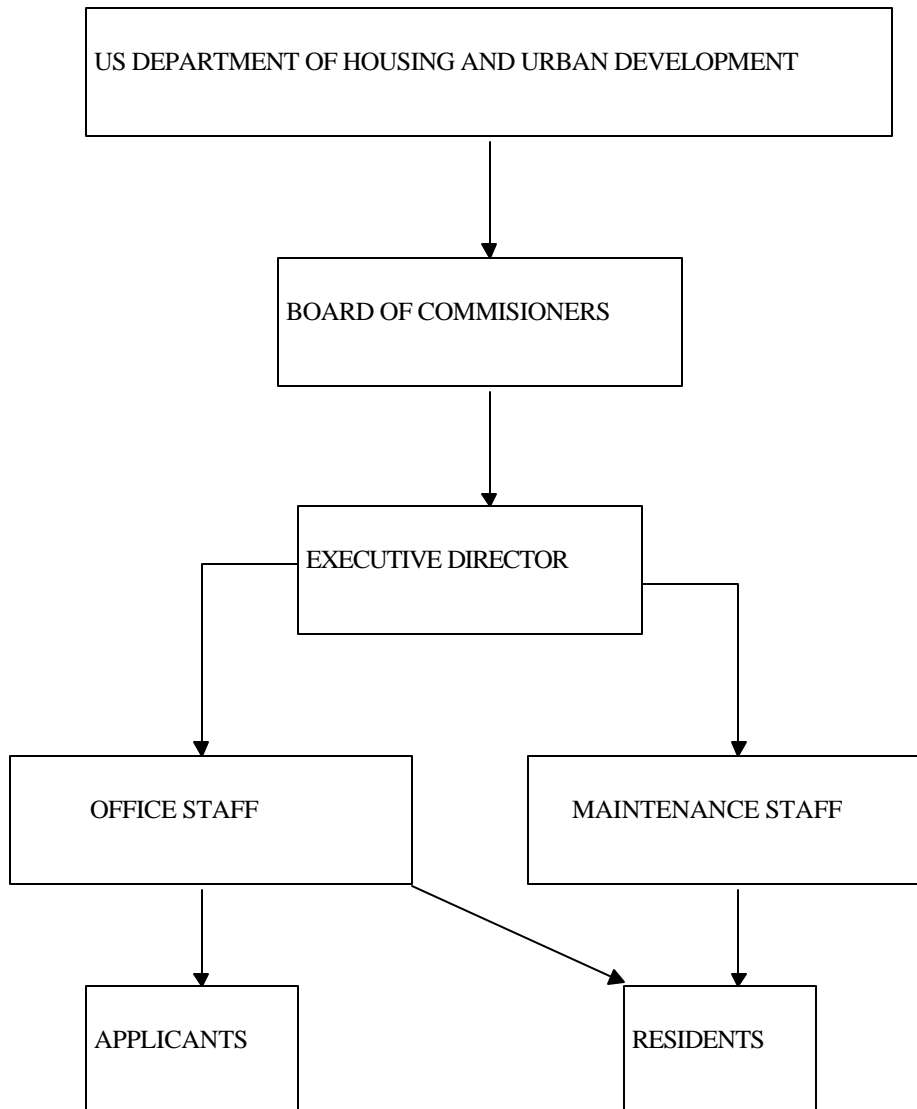

Pursuant to an in conformity with Section 513 of the Quality Housing and Work Responsibility Act of 1998 which amends Section 16 of the United States Housing Act of 1937 (42 U.S.C 1437), the APALACHICOLA Housing Authority hereby amends its Admission Policy for Public Housing. This policy change reflects the requirements of the U.S. Department of Housing and Urban Development's new income-mixing and de-concentration provisions by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. This will attempt to avoid concentrating very low-income families in certain public housing developments.

Presently, the APALCHICOLA Housing Authority (hereinafter referred to as the PHA (public housing authority)) has two (2) public housing developments. It is the policy of the PHA to house applicants/families in such a manner that will prevent a concentration of very low-income (poverty) residents/families in any one development. A site-based waiting list for housing applicants is not an issue at these times, which is consistent with all civil rights and fair housing laws.

The PHA has analyzed that annual income of the existing residents at its development and has compared these results to statistics obtained from HUD and the 1990 Bureau of the Census Tract information. Project FL 036-001 and FL036-002 have a median income of \$7,824 and \$6,991, respectfully. The local median income for the CITY OF APALACHHICOLA is \$28,970. Based upon the stated statistics, there is a significant disparity of income between the residents/families and the local area income which requires a higher income-mix of households to bring these complexes/developments closer to the median income levels of the surrounding area and neighborhoods in which the public housing developments are located.

ORGANIZATIONAL CHART

HOUSING AUTHORITY OF APALACHICOLA, FL

Policy Defining A Substantial Change In The Agency Plan

The Housing Quality and Work Responsibility Act of 1998 requires that the Housing Authority notify the Resident Advisory Council, the Board of Commissioners and the U S Department of Housing and Urban Development of any "substantial change" or "significant amendment" in the Agency's Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been preplanned.

As the 5-year modernization work items have been forecast As of October, 1999 and have been approved at the Public Meeting held and have been approved by the Commissioners of the Housing Authority for submission to HUD, the Housing Authority recognizes that conditions may change from time to time from the original work item forecast and from the original anticipated Project, that there may be need to change certain rent and admission policies, and that there may be need to change PHA programs and activities.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Council, to the Commissioners and to the public to notify them of any substantial change or significant amendment in the overall work item plan.

Therefore, the Housing Authority hereby defines "substantial change" or "significant amendment" as a permanent change that 1) deletes a work category from the original 5- year budget, 2) includes a work category that was not included in the original 5-year budget, 3) adds non-emergency work items not included in the current Annual Statement or 5-Year Action Plan, 4) changes the use of replacement reserves under the Capital Fund, 5) adds new activities not included in the PHDEP Plan (if the PHA has such a Plan), 6) changes with regard to demolition or disposition, designation, homeownership programs or conversion activities, and 7) any changes to rent or admission policies or organization of the waiting list. An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements. The mere change of estimated cost or the change of work items between one Project to another is not defined as a "substantial change" for the purpose of this policy.

The Executive Director is assigned the responsibility of making the required notification to all interested and affected parties, as well as the responsibility of notifying all interested and affected parties of any "substantial change" or "significant amendment" to the Annual Plan and the 5-Year Plan as well as notification to the public of any material change, that is not defined as a substantial change in the Agency Plans that, in his/her opinion, should be made known to the public as a good business practice.

Adopted this ____ day of _____ 1999.
